

AMMINISTRAZIONI E POLITICHE PUBBLICHE - APP

Welcome to the **Administration and Public Policy** (APP - Amministrazione e Politiche Pubbliche), a two-year 2nd level degree course.

Our aim is to train highly skilled managers able to coordinate complex projects in all aspects of

- public administration
- service industries
- non-profit organizations
- public authorities
- audit agencies and consultancy firms.

The Faculty welcomes the enrolment of international students in its courses as

- Degree-seeking Students
- Exchange Programs
- Incoming Erasmus Students

AMMINISTRAZIONI E POLITICHE PUBBLICHE - APP

Our course strongly encourages applications from international students and is committed to constantly adapting its organization to their needs.

1. The first year, some mandatory courses are taught in English. And a certain numbers of optional courses in English are available each trimester.
2. Teaching materials and texts in English are provided for most courses.
3. International students can use English in their oral and written exercises as well as in their relationships with teachers and students.
4. The final dissertation can be written in English.
